What we did this week

Our first week of preschool was great and we learned a lot about our jobs and rules!

We did some special first day projects, made our name tags, and began measuring how tall we are.

We played the name game to learn our friends' names. We read a lot of books and sang a lot of songs!

We practiced counting with puzzles, songs, the calendar, and name tags.

We played outside in the beautiful weather!

We talked about how Jesus loves us! ☺

Notes and Reminders

- Tuesday's hot lunch: macaroni and cheese.
- If you have not yet brought a spiral notebook (PS3 & PS4) or a 3 ring binder (PS4) please do so! We need these beginning next week!
- Please send your child a healthy lunch! We encourage them to eat their main food first (sandwich, noodles, crackers/meat/cheese, etc.), followed by fruits/vegetables, followed by cheese, yogurt, and other snacks. We save sugary items such as cookies, fruit snacks, and juice for after naptime.

Quote of the Week:

COMING SOON!

Coming up NEXT WEEK

We will learn about our names. We will count the letters in our names and make a chart. We will do a project with the first letter in our names, explore magnet letters, read books about the alphabet, and sing a special ABC song.
